08:32:44 From Phillip Way To Everyone:　　Glad you are here Tamara and Mignonne

08:33:03 From Tamara Rosenberg To Everyone:　　Thank you! Very informative group.

08:36:27 From Erin Lorandos | AZ State Library (she, her) To Everyone: @Edd Thiele - I'd love to chat, we are working to expand telehealth through our libraries. We have a number of pilot sites set up, and have plans to expand in the coming year. elorandos@azlibrary.gov

08:39:37 From Erin Lorandos | AZ State Library (she, her) To Everyone: In case you're like me and want this slides larger - I'd recommend switching to "speaker view" if you're not already there 😊

08:39:59 From Krystal Saverse To Everyone: Thanks Cindy!

08:40:28 From Erin Lorandos | AZ State Library (she, her) To Everyone: Digital Navigator in the house 😎

08:41:01 From Heather Floyd To Everyone: Reacted to "Digital Navigator in..." with ❤️

08:44:56 From Phillip Way To Everyone: Ash, I am deeply engaged with AI in all the aspects you have mentioned. I have coauthored a book on AI, use it daily and would be happy to discuss further.

08:46:49 From Phillip Way To Everyone: I am on the Global Blockchain Association serving on the UN Artificial Intelligence and Blockchain Standardization Committee and would welcome connection.

08:47:41 From John Kelly To Everyone: That is probably an underestimate

08:50:30 From Phillip Way To Everyone: Recommend exploring AgentGPT as a configurable, autonomous task agent that can provide great value.

08:50:59 From Rory Conaway To Everyone: This is very interesting Ash.

08:52:12 From Ilana Lowery, Common Sense Media To Everyone:
https://www.cnbc.com/2023/09/14/craigslists-craig-newmark-funding-common-sense-media-ai-project.html

08:52:40 From Ilana Lowery, Common Sense Media To Everyone:
https://www.commonsensemedia.org/aiframework

08:53:26 From Ilana Lowery, Common Sense Media To Everyone: Just sharing a few links about our AI initiatives.

08:54:36 From Rory Conaway To Everyone: did you say hugging fish?

08:54:41 From Erin Lorandos | AZ State Library (she, her) To Everyone: Hugging FACE

08:57:25 From John Kelly To Everyone: Wow. Great presentation. Great timing

08:58:36 From Ilana Lowery, Common Sense Media To Everyone: AI-based education starts very early. This is the first video Common Sense produced for elementary school students that are included in our AI lessons: https://www.youtube.com/watch?v=b0KaGBOU4Ys

08:58:53 From Erin Lorandos | AZ State Library (she, her) To Everyone: Really interesting!

08:58:56 From Alexis Susdorf To Everyone: ash- can you provide your email?

08:58:57 From Phillip Way To Everyone: I have attended a course at University which was solely delivered in the Metaverse.

08:59:19 From Phillip Way To Everyone: Very successful and available in VR

08:59:34 From Gerry Kaufhold To Everyone: you never tried to STREAM NETFLIX in RURAL ARIZONA - AI is DEAD ON ARRIVAL until we get BROADBAND out here !!!

09:00:09 From Erin Lorandos | AZ State Library (she, her) To Everyone: All ties back to digital equity and access!

09:00:56 From Ilana Lowery, Common Sense Media To Everyone: Reacted to "All ties back to dig..." with 👍

09:03:25 From Phillip Way To Everyone: AI, like all technology, is neutral. It is not good nor bad. It does nothing until input is applied. Human condition is the required solution. Education. Awareness. Stop fear of the tools.

09:04:01 From Erin Lorandos | AZ State Library (she, her) To Everyone: Agreed, PJ. Digital literacy is key.

09:04:17 From Rory Conaway To Everyone: Gerry, High Speed Wireless can get to almost anywhere within Arizona within a year. Unfortunately fiber is the priority and that takes a lot longer and is 5-10 times more expensive.

09:04:25 From Phillip Way To Everyone: Reacted to "Agreed, PJ. Digital ..." with ❤️

09:04:49 From Rory Conaway To Everyone: We proved that over the last couple years with Final Mile Project.

09:05:57 From JT LaGrand To Everyone: jtlagrand@gmail.com AI friend
